

# CHEER! MICHIGAN SUMMER CAMPS

## THROW BACK SUMMER

To celebrate CIM's 30th Summer we are bringing back our retreat overnight team camps!

This is how it all began 30 years ago... with smaller, team focused, community building camps. Where you truly get to know fellow coaches, your athletes interact with other teams, all while forming an unbreakable bond with one another. Goal setting and athletic development are at the forefront!

Surround your program in the traditions that started with CIM and have kept us strong for 30 Years!
